

Finding Your Mobile Mojo

Are Your Messages Mobile Friendly?

Connecting with Clients Who Use iPads, Notebooks, Tablets, and Smartphones

The Women's Council of REALTORS®  **Brings You Ken Baris, National Speaker, Technologist, Author and President of Jordan Baris Realty**

Ken Baris serves as the President of Jordan Baris REALTORS. As a speaker, he has addressed professionals at numerous national conferences on topics such as Practical Technology, Selling on the First Day Out and Unlocking the Power of the ... Web for Brokers. He most recently spoke at the National Meeting for the Leading Real Estate Companies of the World. As an innovator and technology originator, Ken has led Jordan Baris to be frontrunner in mobile computing. Ken will share his insights for brokers and agents for everything mobile, including clouds computing, video, hyperlocal marketing understanding client wants and needs, and QR codes.
